

Newton Kindergarten Registration is now open for the 2023-2024 school year. Students who will be 5 prior to August 1, 2023 are eligible. Our kindergarten screening will be held on Thursday, May 4, 2023.

Complete the Online Registration Forms

After reading all instructions below, complete the online registration here [Final Forms](#). Completion of the enrollment forms will take approximately 15-20 minutes.

1. You will first be taken to a page that has options for a parent to create a new account or use an existing Newton Schools Final Forms account. Creating an online Final Forms account allows you to:
 - Complete the online registration process
 - Save and return to the online registration process (you do not have to complete the registration in one sitting.)
2. Once you have created an account, you will be taken to the online forms. Follow the instructions and complete the forms. **Only register your incoming Kindergarten student. If you have other siblings attending Newton, wait until later in the summer to register those students. Select "I'm a New Enrollment" and register for the 2023-2024 school year.**

Schedule a Kindergarten Screening

When the school has received all your Final Forms enrollment data, you will be contacted to schedule your screening time. Screening appointments are on Thursday, May 4, 2023 from 8:00-1:30 and will last approximately 30 minutes.
